- Assisting Pipefitter to assemble and install piping for compressed air, gas, and water systems
- Cut or drill holes in walls etc., to permit passage of pipes
- Select specified type and size of pipe
- Mounts pipe hangers and brackets on walls and ceilings to hold pipe
- Assist pipefitter to install compressors, couplings and other fittings
- Disassemble and remove damaged or worn pipe
- Perform other duties as needed to assist the pipefitting team
- Loading and delivering materials
- Using a variety of tools hand and power
- Fork lift truck operation
- Cleaning and preparing a job site
- Setting up and taking down ladders, scaffolding and other structures
- Compliance with responsibilities as laid down in the Company's Health, Safety and Environment Policy and as explained in Site Health and Safety rules/procedures
- Contribute to improving the business, protecting and enhancing the reputation of the company, by putting forward new ideas and, when requested to do so, implementing change

Skills required:

- Awareness if Health & Safety regulations
- Excellent customer service
- Good negotiating skills
- Proficient IT skills
- Team working skills
- Good organisation skills
- Good communication skills
- Ability to work effectively individually or part of a busy team and work under pressure
- Excellent telephone manner
- Good command of the English language (Written and spoken)
- Good mathematical skills
- Ability to meet deadlines and targets

Working hours: 8.30am - 5pm Monday to Friday

Salary and benefits information will be available upon interview

In this job you will not only demonstrate excellent interpersonal skills but also the ability to utilise your IT skills and your manual skills to ensure the position of Pipework Labourer is completed effectively. If you feel you have the right skills for this position please apply today

Job Type: Full-time

Closing date for applications: 15th April 2017
